

Dear Supervet Gig Rowers

## **APPLEDORE PILOT GIG CLUB**

would like to invite you to save the date for

## **APPLEDORE SUPERVETS REGATTA**

ON

**14<sup>th</sup> and 15<sup>th</sup> October 2017**

We are once again organising the supervets regatta at Appledore. This was a very successful event last year with over 20 clubs taking part.

We look forward to hosting an equally successful event in 2017. Due to unfavorable tides, we have taken the decision to hold the regatta in October, we hope that you'll still be able to attend.

We will be providing the gig boat, so an opportunity for you to participate if your club boats have gone for winter maintenance. We are planning for an equal number of ladies and mens races with heats on Saturday and finals on Sunday.

If you have a plastic boat on a road trailer that you could bring to the event, could you please let me know.

There are limited places so we are working on a first come first served basis hence the early invitation so **please respond promptly** if you want to take part in this amazing regatta.

Once we know numbers and closer to the date we will be sending out more information of accommodation/camping details.

We look forward to your participation in this regatta.

Kind regards

**Chris Byrom**
